# Assembly Instructions For Mystic Lounge

**Tools required:** 9/16" ratchet

**Note:** These instructions are intended for various models and configurations. Your products may not look exactly as shown in the diagrams.

**Important:** The assembly process requires that some hardware be kept loose until later in the sequence. Follow these instructions closely to ensure correct assembly.

**Recommendation:** Retighten all bolts on a seasonal basis to ensure your product remains strong and stable for many years of use.

**Weight Capacity:** All loveseats in this series have a weight capacity of 500 lbs. and sofas have a weight capacity of 600 lbs., unless otherwise stated.

## Parts List

Arm Frames, left & right  
Seat Cushion  
Back Cushion

## Hardware Packs

3" Hex Bolts  
Washers  
7 pcs. each for Loveseat  
9 pcs. each for Sofa

## Panel Arm Loveseat & Sofa

Figure 1

Figure 2

Figure 3

Figure 4

1. Unpack and identify all parts.
2. Attach back cushion to arm frame by inserting posts into key hole slots, as shown in figure 1. With posts fully inserted, press back cushion down until posts "bottom-out" in key hole slots.
3. Attach second arm frame to back cushion by repeating step 2.
4. When properly connected, bottom edge of back cushion should align with bottom edges of arm frames as shown in figure 2.
5. Lay assembly on its back on a soft, clean surface and slide seat cushion into place, as shown in figure 3.
6. Attach seat cushion to back cushion and arm frames using 3" hex bolts and washers, as shown in figure 4. Keep all bolts slightly loose for now.
7. With all bolts connected but still loose, stand loveseat/sofa upright on a level surface. Align bottom edges of arm frames, back cushion and seat cushion, (similar to figure 2) and tighten all bolts securely.
8. Your product is now assembled and ready to use.

Thank you for purchasing a Lesro product.
