# Assembly Instructions For Newport Center Connecting Table

**Tools required:** Phillips screwdriver, Allen wrench (included in hardware pack).

**Note:** These instructions are intended for various models and configurations. Your products may not look exactly as those shown in the diagrams.

**Important:** The assembly process requires that some hardware be kept loose until later in the sequence. Follow these instructions closely to ensure correct assembly.

**Recommendation:** Retighten all bolts on a seasonal basis to ensure your product remains strong and stable for many years of use.

**Weight Capacity:** These tables are not intended for use as seats.

## Parts List

Tabletop  
Connecting Brackets, Front, 2 pcs.  
Connecting Brackets, Back, 2 pcs.  
5/8" Phillips Screws, 16 pcs.  
Allen Wrench

1. Unpack and identify parts.
2. Assemble chairs individually according to chair instructions before attaching connecting table.
3. Use an Allen wrench to loosen the seat cushion bolts on facing sides of both chairs, as shown in figure 1.
4. Attach the front and back brackets to both chairs. With bolt inserted fully into slot, as shown in figure 2, retighten bolts securely.
5. Pull the chairs together and rest the tabletop on the brackets, as shown in figure 3. Sticker on underside of tabletop faces back.
6. Attach tabletop to brackets using Phillips screws into pre-drilled holes, as shown in figure 4. Once all 8 screws are started, tighten securely, using care not to strip.
7. With both chairs resting on a level floor, carefully align the back legs so they form a straight line, as shown in figure 5.
8. Insert Phillips screws through brackets into bottom of seat cushions and tighten securely, using care not to strip.
9. Your product is now assembled and ready to use.
