# Assembly Instructions For Traditional Pedestal Tables

**Tools required:** Socket wrench, Allen wrench (included in hardware pack)

**Note:** These instructions are intended for various models and configurations. Your product may not look exactly as shown in the diagrams.

**Recommendation:** Retighten all bolts on a seasonal basis to ensure your product remains strong and stable for many years of use.

**Weight Capacity:** These tables are not intended for use as seats.

### Parts List

Tabletop  
Pedestal  
Legs, 3 pcs.  
Connecting Plate

### Hardware

2" Hex Screws, 4 pcs.  
Washers, 4 pcs.  
1 1/4" Allen Bolts, 4 pcs.  
Nuts and washers, 6 sets  
Allen Wrench

1. Unpack and identify all parts. Note: The connecting plate is attached to the underside of the tabletop for shipping purposes. It must be removed before starting the assembly process. Additionally, the 6 sets of nuts and washers are attached to the leg bolts for shipping purposes and must be removed before starting.
2. Attach legs to pedestal using nuts and washers from inside as shown in figures 1 and 2. Bolts are pre-attached to legs. Tighten very securely. Note: There is a little "play" in the connection between pedestal and each leg. Use care to straighten and level legs with one another before tightening nuts.
3. Attach connecting plate to pedestal using 2" hex screws and washers as shown in figure 3. Tighten securely using care not to strip.
4. Place the tabletop upside down on a soft, clean surface to prevent scratches.
5. Attach pedestal assembly to tabletop using 1 1/4" Allen bolts as shown in figure 4. Tighten all bolts securely.
6. Using 2 or more people, carefully flip table to upright position. Your product is now assembled and ready to use.

**WARNING:** Do not place a glass top on this table as it may cause warping and cracks. Doing so will void the warranty.

Thank you for purchasing a Lesro product.
