Technical Information

Faux Leather Selections

54" Pattern	Content & Backing	Abrasion (D.R.)	Flammability*
WHISPER	Vinyl Polyester Hi Loft ² Backing	100,000	California Tech. Bulletin 117, Section E NFPA 260 - Class 1 UFAC - Class 1

*This term and any corresponding data refer to typical performance in the tests indicated and should not be construed to imply the behavior of this or any other material under actual fire conditions. These vinyls may contribute to compliance with California Technical Bulletin 133 when used in conjunction with other suitable components.

Cleaning and Maintenance:

For easy cleaning of recent soiling, promptly wash with a mild soap solution. For a previously soiled area that has not yet penetrated the vinyl surface, scrub with a soft brush using a mild, non-abrasive cleaner. Cleaning frequency depends on use. Please clean and maintain your furniture regularly.

Clean all stains as quickly as possible and use the following cleaning procedures for best results.

Step 1 Remove any excess spills with damp cloth. Clean with a mild liquid soap and water mixture. Rinse with clear water and dry.

Step 2 Use straight application of concentrated cleaners such as Formula 409[®] or Fantastik[®]. Rinse with clear water. Wipe with clean cloth.

Step 3 For more difficult stains, use a 6% mixture of bleach with water. Rinse with clear water and dry. Never use bleach in full strength to clean vinyl.

Important: Do not use alcohol based cleaning agents.

Recommendation: Please be sure to use a soft brush or cloth saturated with cleaning material. Always test cleaning methods on an inconspicuous area of furniture. If stain persists, stain probably has set. Although these vinyls are resistant to most common stains, some fabric dyes and ballpoint inks can create a permanent stain.

Caution: Some solvents are highly flammable. Exercise proper care in cleaning. This information is not a guarantee and does not relieve the user from the responsibility of the proper and safe use of these vinyls and all cleaning agents.

Formula 409[®] is a registered trademark of the Clorox Company.
Fantastik[®] is a registered trademark of S.C. Johnson & Son, Inc.
