

Mystic Features

Great Design, Great Price
 Start with *great design*, add complete layout flexibility, choose from an endless selection of fabric and upholstery materials, shipped where and when you want, all at a *great price*. This is our passion and continuing commitment to you.

Clean, simple contemporary design

- Complements today's uncluttered look

Mixed materials construction

The perfect pull up chairs to mixed material desks

- Solid hardwood arm caps for warm tactile feel, steel legs for strength and durability
- Six hardwood finishes, silver or black powder coated steel

Tapered Back and Tapered Split Back options

- Tapered back provides linear horizontal visual and allows more interesting multi tone covering combinations

Individual chairs, loveseats, sofas, multiple units with full center arms, benches and matching tables

Stunning simplicity for reception area and lounge seating applications

- Guest chairs available in standard 275 lb., oversize 400 lb., and bariatric 750 lb. capacities
- Wall saver design
- High pressure laminate table tops, including tablet table
- Environmentally friendly Vitafoam soy-based foam
- Unlimited selection of fabric, healthcare vinyl, polyurethane, Crypton and Nano-Tex coverings

Scooter...the new workstation guest chair

Provides guest and collaborative seating in the workstation without additional footprint, designed to be stored under the work surface

- Available with or without casters, casters allow one scooter to be shared between several workstations.

Limited lifetime warranty, 2 year fabric and covering warranty
